

ROCK JUNIOR HIGH YOUTH GROUP

Wednesday Evenings, 6:40–8:15
September 13 thru May 30
Youth Room

WHAT ROCK LOOKS LIKE...

What happens when you bring fun, food, friends and games together with God's Word? You get ROCK: The best night of the week!

Each week, you can expect a healthy dose of the following:

COMMUNITY:

We all need a place to just hang out and talk. ROCK is the place for friendships to be established, grown and enjoyed!

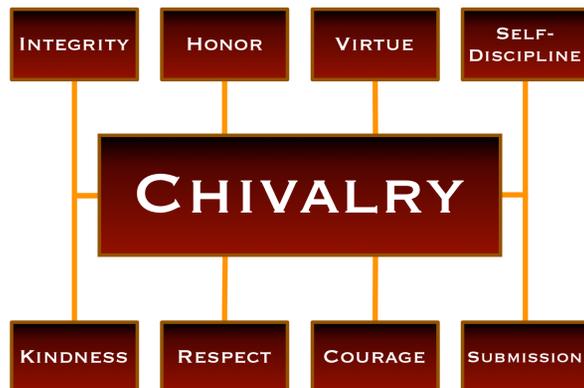

GAMES:

We like to have fun, don't you? Sometimes it means being in the gym or tearing up the youth room... Come ready to laugh and enjoy yourself!

DEVOTIONS:

Each week we see what God has in store for our lives as we spend time in His Word. Our time is interactive; we learn together when our voices are used and heard. Let's dig deep!

This year, we dive into *Chivalry!* God is inviting us to become more like Him through the power of the Holy Spirit. Our lessons will take us through 8 different ways God seeks to transform us.

ROCK@ ACTIVITIES

Various times throughout the year

WHAT ROCK@ IS ALL ABOUT...

Sometimes we need to get out of the norm and break the routine... What a better way to do this together than our ROCK@ activities?

FELLOWSHIP

Play is underrated. Play has a positive affect on our personal growth and our ability to positively interact with others. Plus: Play is FUN! We look for opportunities to bring the youth together simply to encounter one another and to enjoy playing together.

TEAM-BUILDING

The Body of Christ is composed of members who compliment and encourage one another. When we grow as a team, we also grow as individuals.

SERVICE

A key component to our own personal and spiritual growth involves stepping outside of our 'personal box' and into the lives of others.

Our service projects are opportunities to work together to bless others.

MORE INFORMATION

For the times we step out of the youth room for fellowship nights, service projects and team-builder activities, we have ROCK@... Watch the youth webpage for dates and times!

RSVP's: Each ROCK@ activity or event will require a printed RSVP to be delivered to the church by the expressed due date.

RSVP's can be found online at the Berean Youth webpage, or at the bottom of the steps by the youth room.

Costs: We make every effort to keep costs affordable for all families.

Payments: Payment in the form of a check for each ROCK@ activity is expected *before* the start date of the activity. Please **DO NOT PAY WITH CASH!**

Student Expectations: Each activity RSVP will have a list of student expectations that we encourage parents to discuss with their students prior to the event.

Watch the Berean Youth webpage for details and updates to the ROCK@ calendar.

JUNIOR HIGH SUNDAY SCHOOL

Sunday Mornings, 9:30-10:30
September 11 thru July
Youth Room A

ABOUT THE CLASS

The Junior High Sunday School curriculum is a two-year revolving survey through the Old Testament.

The 2017-18 core curriculum will cover year two. We teach the Old Testament in a chronological fashion so that students have a better understanding of the events which took place, and have a better grasp upon the progressive revelation God chose which eventually lead to the Body of Christ.

OBJECTIVES:

- Students will gain the following from this class:
- An improved biblical knowledge of persons and their relationships in the Old Testament.
 - A deeper understanding of God's plan for atonement.
 - See evidence of Jesus throughout the pages the Old Testament.
 - Learn the dispensational relationships within Scripture, and have a deeper understanding of God's plan for atonement and His plan for the church today.
 - Gain practical application from Scripture for everyday life.

STUDENT EXPECTATIONS:

- Students will bring their own Bible to class.
- All assigned readings will be done prior to that morning's class.
- Behaviors and attitudes will be conducive to group and individual learning. This includes, but is not limited to:
 - Participate in class discussions. Students are *part* of the learning process.
 - Ask questions. If you do not understand something that is being taught, you have just as much right to find answers as your do your classmates.
 - Be kind to others. You may know an answer that a classmate may not. Treat them with the same level of respect by which you wish to be treated.
